

WHERE IS YOUR STORY RIGHT NOW?

The 4 Acts of The Storyteller's Way.

Seeker, look at the map.

Circle the landmark that feels most like your current life:

- **Kindling:** Stagnant and waiting for a match.
- **False Horizon:** You thought you were done, but the road just doubled.
- **The Fracture:** Everything feels like it's breaking apart.
- **Emberlight:** You're ready to share your story with the world.

THE LIFE THAT LOVES YOU BACK

Because you are a human, not a machine.

In most "Big City" productivity systems, a failure requires a do-over.
In the Story Studio, failure is just part of the story.

The Three Paths:

To survive the Quest, you must tend to all three trails simultaneously:

1. **The Path of the Hero:** Your soul's growth.
2. **The Path of the Plot:** The 19-Beat framework (The Storyteller's Way).
3. **The Path of the Foe:** Your path will always encounter challenges. How will you respond?

Helping writers create a body of work they love, while living a life that loves them back.
